

At Lakehouse, we take care of your loved one like they're family... because they are. We understand that with a dementia diagnosis, the future care needs of your loved one can be a complex and worrisome challenge. We're committed to providing personalized memory support care through all the bends and turns of the dementia journey. Like you, we want your loved one to live an active and engaged life in a safe and intimate home-like environment. Let us help you navigate the waters of change at Lakehouse.

Accommodation Features

- Encouraging enriching and dignified living through the changes of dementia
