### **LOVE OFFERING FOR THE HOMELESS - 2024**

As in the past the Tel Hai Volunteer Engagement Committee has partnered with an organization that distributes household necessities to newly placed homeless families as well as veterans. When we first started this endeavor more than 5 years ago, on any given day there were as many as 500 individuals who were homeless in Chester County, the most affluent county in the state. Due to organizations such as Human Services Inc., Bridge of Hope, Family Promises, etc. that number has been reduced to around 200 individuals. Yet even so, there is still a great need for our help. This year we are partnering with Community Warehouse Project and we are asking you, our generous caring residents to donate the following NEW items. In doing so, it allows a newly placed family to prepare a meal, make their beds, and take a shower. Items may be placed on the tables in both StoneCroft and GCC lobbies from February 5th to February 13th. Suggested items to donate: sheets, towels, plates, silverware, pots/pans, cleaning supplies, laundry detergent and mops/brooms.

Questions may be referred to Betsy Kearney on 474-796-4391 Thank you!!!

### **Fiber Arts Club**

If you like doing sewing projects and learning new techniques, come see what the Fiber Arts Club does. Join us to make a planned project, equipment is supplied. We make items to sell so we have money to purchase batting, thread, needles, oil and upkeep of our machines that produce quilts for

shelter distribution. Present members please note the times and come to sew in the new year. Happy sewing together!

### **Thank You**

The Volunteer Engagement Committee would like to thank everyone for the generous donations that were brought to the Honey Brook Food Pantry in December. There were a total of 195 hats, gloves and scarves donated by the residents of Tel Hai.

## Women's Bible Study

Begins Tuesday, Jan. 21 from 2:00 – 3:00 PM in the GCC Gathering Room. In our uncertain world people are searching for answers to many of life's difficult questions and looking for purpose and hope in their lives. The answers can be found in God's Word, but many of us are unable to readily articulate convincingly our beliefs and point others to passages of Scripture to confirm what we know to be truth. Together we will search the Scriptures and arm ourselves with the answers that God has made available to us so we can confidently say to people seeking answers to life's problems "I'm Glad You asked".

**Monday, February 10, 2:15 PM, CWPA, French & Pickering Creeks Conservation Trust: “Forging our Future” by Bill Gladden, Executive Director**

The evolution of Warwick Furnace from an industrial powerhouse and critical part of our national heritage to a destination visitation spot for historians as well as naturalists throughout the region is a fascinating story that will be shared by Bill Gladden, Executive Director of French & Pickering Creeks Conservation Trust. A nonprofit conservation organization founded by Sam & Eleanor Morris in 1967, French & Pickering's donors and members provide the resources that fund operations including visitation to the historic Warwick Furnace, a permanent display of one of the revolutionary war cannon that was built (and buried) on the preserve, as well as miles of trails ranging from fairly flat by the furnace and cannon to more challenging areas to explore along the creek, hillside, fields and forests. The synergy between the industrial past and modern site management will be shared with the audience as well as video footage of the unearthing of the first

(of four) cannon that has been recovered from the site.

**Monday, February 24, 2:15 PM, CWPA, “The Lives, Legends and Legacy of the Three Christophers Sauer - Colonial Germantown Printers” by Dave Willauer**

Dave Willauer will share items printed on the Sauer press as well as other examples of colonial printing from his personal collection as he relates the story of this family of German immigrant printers whose ingenuity and courageous beliefs left a lasting mark in our region. Christopher Sauer was self-taught and mastered no fewer than 26 trades. His influence through the printed word was held in both high regard and with vehement disdain. Dave’s presentation will include numerous connections to Montgomery and Chester Counties as well as some of the familiar personalities with whom the Sauers crossed paths.
