What is Aqua Spin?

It's in-water spinning on a submerged stationary bike! It's a great no-impact workout that can increase your cardiovascular endurance since you're exercising at a higher intensity but at a lower heart rate. We pair this workout with strength training & music for a fun-filled aquatic class!

Registration required &
opens on Thursday,

Space is limited.

Class is open to public
(non-pool members) for
\$60 per 6-week session.
